Doing things we enjoy provides a variety of benefits, but it is difficult for us to have time to engage in a hobby. Most of people's time is spent on school, family, and community activities, so we leave little room for the things we are passionate about. Engaging in hobbies can be a mental escape, help us improve our skills, or just provide an opportunity to socialize with others. Hobbies are a great way to break away from the daily tasks. Also, having a hobby is considered a stress reliever. Benefits of different hobbies can vary. For example, doing sports regularly is likely to be clearly **beneficial** because **it** not only increases both your heart rate and brain function but also leads to lower blood pressure, weight loss, building muscle, strengthening bones, and an overall increase in energy. In addition, spending time on leisure activities is an easy way to improve your mental health by making you relaxed and taking your mind off all of the more pressing concerns of student life. Some people enjoy hobbies which give them the opportunity to improve their confidence level, and improve their quality of life. For all mentioned reasons, everyone should immediately take up a sport or do what you are fond of.

**Question 32. Which of the following reasons is NOT the reason why should people take up a sport or hobby?**

- A. To boost confidence
- B. To make more money
- C. To break away from daily tasks
- D. To improve mental health

The Kinh, also called the Viet, have a population of about 82 million people, making up nearly 87% of the total population of Viet Nam. The Kinh are native people who have come along with the development of Vietnam. (37) \_\_\_\_\_.

Many Kinh people live in villages. (38) \_\_\_\_\_. In each village, there is a communal house which is the place for meeting and common ritual ceremonies. Traditionally, the Kinh families live in a house with no staircase. In the middle of the house, there is a place to put the altar for ancestors. The side rooms are the family members' rooms. Since their population is growing fast, the houses of most families in villages become smaller. (39) \_\_\_\_\_.

In a Kinh family, the father is regarded as the head of the family, but the mother is usually the family economic manager. (40) \_\_\_\_\_. The eldest son is responsible for the worship of dead parents and grandparents. Tet is their largest festival of the year. They also hold hundreds of other festivals all year round, especially in spring.
